Commissioner for Patents

The IDS filed on 5/21/01 has been considered. An initialed copy was to have been attached to the Notice of Allowance mailed on 6/1/05. However, a review of the electronic file wrapper for this case indicates that the copy of the IDS was not in fact mailed to applicants. Therefore, a initialed copy of the IDS filed on 5/21/01 is attached to this communication. No response to this communication is required by applicants.

Any inquiry concerning this communication from the examiner should be directed to Anne Marie S. Wehbé, Ph.D., whose telephone number is (571) 272-0737. The examiner can be reached Monday- Friday from 10:30-7:00 EST. If the examiner is not available, the examiner's supervisor, Dave Nguyen, can be reached at (571) 272-0731. For all official communications, the new technology center fax number is (571) 273-8300. Please note that all official communications and responses sent by fax must be directed to the technology center fax number. For informal, non-official communications only, the examiner's direct fax number is (571) 273-0737.
